Concealed swing-out Cook Top means warm meals in wild winter weather.

Patented Extended Burn Technology (EBT) gives the Alderlea T6, the largest of the Alderlea cast iron stoves, all-night burns with maximum heating capacity.

Huge glass opens up the view of your fire. Huge cook top surface comfortably fits a large casserole pan with warming space to spare. The Alderlea T6, and all Pacific Energy wood stove products, are backed by our Limited Lifetime Warranty – our promise of many years of wood heat comfort.

** Figures will vary depending on type of wood, floor plan, house layout, heat loss of home, and geographical location.
*** Oregon DEQ results may vary due to wood size and moisture content.
